Football is the most popular outdoor game all over the country. Not just all over the country, but all over the world. It is one of the oldest games and is played in many countries. Football requires a lot of physical strength and stamina, helps in improving concentration and gives team spirit. This game originated from Italy from a village called Rugby and according to some sources the game originated in China. The game is a good stress buster and can be played by people of all ages and gender. The game is played by hitting the ball with foot and hence it is called football. It is a very popular game in many parts of the world and is known with different names such as football, soccer, rugby, American or Canadian football etc. There are different variations of football known as "Football Codes". However, the way football is played, is similar everywhere. American football is famous worldwide. The annual Super Bowl is one of the most watched game on US television.
